

Today data is everything but storing and managing your data is increasingly hard. It can be complicated, expensive and time consuming, with expanding workloads both on premise and in the cloud.

Here at Assured DP we deliver the latest Rubrik cloud data management technology as a service, from design and implementation through to monitoring and management. Rubrik offers a solution like no other, developed to incorporate modern day expectations and advancing technology to create fast and simple data protection across public, private and hybrid cloud environments.

OUR SOLUTIONS

Rubrik technology delivers automated backup, recovery archival search, cloud and development in a simple scale out platform built for hybrid cloud. We deliver Rubrik to customers ranging from 5TB to multiple petabytes, across any number of sites.

HOW IT WORKS

Quick Start: Rack and go. Auto-discovery. Rapid Ingest: Flash-optimised, parallel ingest accelerates snapshots and eliminates stun. Content-aware dedupe. One global namespace.

Automate: Intelligent SLA policy engine for effortless management.

Instant Recovery: Live Mount VMs & SQL for instant search and file restore.

Secure: End-to-end encryption and immutability to fight Ransomware.

Cloud: "CloudOut" instantly accessible with global search. Launch apps with "CloudOn" for DR or test/dev. Run apps in cloud.

RUBRIK FEATURES AND BENEFITS

SIMPLE SET UP	Rack and go with automated discovery.	Almost zero down time on installation.
POLICY DRIVEN	Easy to manage, assign SLA policies.	Dramatically reduce daily backup management time.
INSTANT FILE DISCOVERY	Real time search allows files to be searched with 'Google' style predictive search options.	Time saved from finding files on backup discs and tapes.
API FIRST ARCHITECTURE	Manage all data through an easy to use HTML 5 interface.	Stay in control of all your data, anywhere, anytime.
NEAR ZERO RTO	Mount VM's and databases directly from the Rubrik platform.	Reduce recovery time from hours to just minutes with no impact on business.
SCALE AS YOU GO	Rubrik enables simple, scalable, linear growth on demand.	Grow the size of your data centre as your business grows, keeping costs to a minimum.
HIGH SECURITY	All Rubrik appliances come with software encryption.	Peace of mind that your data is protected ensuring you meet compliance regulations.

SAVE ON COSTS & TIME

Up to 50%
Immediate Hard
Savings.

Rapid installation and
deployment.

Up to 70% Data
Center Footprint
Reduction.

2-3 minutes daily
management time.

Rubrik integrates with VM's, databases and IT delivery services

ORACLE
